- Non-slip neoprene rubber backing holds mat firmly in place for safety and is low profile enough for use as an inside threshold doormat
- 1/4 in. Thick mat dramatically reduces pressure on your feet, knees, lower back and insulates your feet from a cold or slick floor
- Perfect for anywhere you stand for extended periods of time such as your office, workbench, or kitchen
- Top thermo-fiber layer looks great and cleans off easily with a damp cloth/sponge, or gentle sweeping with a broom
- High-quality materials used in construction are solvent, oil, and dirt resistant, providing a long service life
- Mat is lightweight, flexible and easily rolls up when moving from place-to-place or for storage
- Nominal Measurements: 30 x 48 x 1/4 in. thick
