Fashion Headbands

Ages 5 to 95

WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

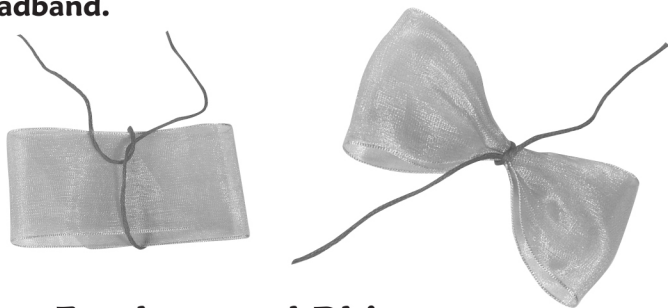

Design Time

Plan out how each of your headbands will be decorated. Use the thin ribbon to wrap your headband. Glue the end of the ribbon to the inside, bottom edge of your headband. Allow it to dry, then wind the ribbon around your headband. Glue the other end. Set it aside to dry.

Bows, Bows, Bows

Create bows using your ribbon. Fold the ribbon into loops, then tie it in the middle using a piece of gel cord or thin ribbon leave extra hanging so you can tie it to your headband.

Feathers and Rhinestones

Glue the feathers and rhinestones directly to the headbands. You can also attach them to the elastic felt flower and then slide them on. To make them more permanent, add a drop of glue to keep the elastic in place.
