CONDITIONS OF APPROVAL

The approval of the article covered by this certificate is valid only as long as the article is manufactured in accordance with the details of the approved drawing specification or other data referred to; no modification of the approved design, construction or material shall be adopted until the proposed modification has been presented for consideration of Transport Canada, and confirmation has been received that it is acceptable.

This certificate may be suspended or cancelled if the manufacturer deviates from the standards prescribed for the equipment herein specified.

CONDITIONS D'APPROBATION

L'approbation de l'article visé par le présent certificat n'est valable que dans la mesure où la fabrication de cet article satisfait aux dessins, devis ou autres données approuvés; aucune modification du dessin, de la construction ou du matériau approuvés ne sera adoptée avant que la modification envisagée n'ait été présentée pour étude à Transport Canada, et que confirmation de son acceptabilité n'ait été reçue.

Le présent certificat pourra être suspendu ou annulé si le fabricant s'écarte des normes prescrites pour l'équipement mentionné aux présentes.

SCHEDULE OF APPROVAL**Application/Limitations****Approval Documentation**

1. Underwriter's Laboratory of Canada test report CMQ14 Application No. 13469 dated January 3, 1995
2. All components to be selected from the Bill of Material – Mustang Survival document BOM: MVC-10vUN – Richmond – TDP Compliant.
3. Mustang Survival drawings:
 - i. 4G1MV038_MVC-10_General illustration
 - ii. 4G2MV038_MVC-10_General illustration
 - iii. 4G3MV038_MVC-10_General illustration
4. Follow up inspections to be conducted as per UL MQ1617-Vol. 2, Appendix D. All buoyancy tests are to include collar pieces.

Construction**Instructions/Markings**

All required marking shall be specified in English and French.

Conditions

1. The LIFEJACKET is to be constructed in accordance with manufacturer's drawings listed above and no departure from these drawings or from the bill of materials shall be made without prior notification to Transport Canada Marine Safety and Security.
2. The manufacturer is responsible that every LIFEJACKET built to this Certificate of Approval corresponds to the approved prototype.
3. This approval is given on the understanding that Transport Canada, Marine Safety and Security reserves the right to require check tests to be carried out at any time and that the manufacturer of the equipment mentioned on this certificate will accept responsibility for informing shipowners of proper methods of use, maintenance and the conditions of this approval.
