

KINGSTON

REPUBLIC OF THE DOMINICAN REPUBLIC

Kingston

Features

- 1. High density of buildings
- 2. Large commercial areas
- 3. Poor road conditions
- 4. High population density
- 5. Poor water management

Kingston is the capital and largest city of the Dominican Republic, located on the southern coast. It is a major economic and cultural hub, characterized by its high density of buildings and infrastructure. The city is known for its vibrant atmosphere and is a key destination for tourists and business travelers alike.
