Page Title

TAG Contact Voltage Detector Multi-Range, 4/35KV, KIT

PRODUCT OVERVIEW –

Marketing Text 1

Direct contact solution to quickly test for the presence of voltage

Marketing Text 2

No on/off or range selector switches, always on.

Marketing Text 3

Clear indication of voltage detection with both audible and visual indications

Marketing Text 4

"All Check" self test system verifies proper operation

Marketing Text 5

TAG 200X series for system voltages up to 69KV line to line

Marketing Text 6

Versatile for overhead and underground applications

Marketing Text 7

Built in universal spline and shotgun stick attachments

PRODUCT SPECIFICATION –

Product Specification 1

Sub Brand : Greenlee/HDE

Product Specification 2

Type : Contact Voltage Detector

Product Specification 3

Frequency Rating : 50Hz and 60Hz

Product Specification 4

Voltage Rating : 4KV & 35KV Line-to-Line

Product Specification 5

Indication Type : Audible and visual alert

Product Specification 6

Model : TAG-200XMR

Product Specification 7

Overall Length : 10 in.

Product Specification 8

Included : TAG-200XMR Detector, TAG-42029X Overhead "Y" Probe, TAG-41811X Overhead Straight Probe Small, IEP-UD/C Underground Bushing Probe, CS-TAG200X Carrying Case, Instruction Manual
