

MUSTANG SURVIVAL LIFE PRESERVERS FOR WATER RESCUE VICTIMS (MV3104 / MRV050 WR)

MUSTANG SURVIVAL WE SAVE LIVES FOR A LIVING

Water Rescue Professionals know the need to ensure their victims are properly fitted with a life preserver before transporting them to safety. Mustang Survival is proud to offer a suite of products to meet those needs. From vests ranging from infant through adult, Mustang Survival has incorporated the same exacting standards in these products that you have come to expect from our first responder and military solutions.

MV3104

Mustang Survival's MV3104 T1 Universal Fit Flotation offers functional industrial flotation with large armholes for mobility.

COLOR	ORANGE
SIZE	UNIVERSAL ADULT
APPROVAL	USCG - UL1123 - Marine Buoyant Devices 160.064 - Type III

15.7 lbs of buoyancy

3 adjustable straps for comfort sizing

MRV050 WR

The Mustang Survival Operations Support Water Rescue Vest delivers a more compact, lightweight solution for rescue vests, while still providing 15.5lbs of buoyancy to the wearer. This bright yellow and black vest with reflective tape on the front and back is easily visible in and around the water, while the Fast Tab on the front chest acts as an easy attachment point for accessories such as knives, scissors or strobe lights. With a comfortable fit, the Mustang Survival Operations Support Water Rescue Vest is excellent for continuous wear.
