

AeroWIPE™ Cleansing Wipe

Safety Data Sheet

Section 1 - Identification

Product Identifier: AeroWIPE™ Cleansing Wipe
Other Names: Skin-cleaning wipe, non-sterile (GMDN Code: 61694)
Recommended Use: A non-sterile device consisting of an absorbent fabric pre-soaked in a liquid solution (e.g. Povidone Iodine) intended for cleaning a localized body surface before a procedure or device application, and/or to maintain skin hygiene. It is commonly known as a wet wipe and is normally available [non-prescription] over-the-counter (OTC) for use in the home or healthcare facility. This is a single-use device.
Restrictions on Use: For external use only.

Supplier Details:

Aero Healthcare
2 Cameron Drive, Armidale NSW 2350, Australia
Tel: 1800 628 881 Landline: 02 6776 7200 Email: CustomerService@aerohealthcare.com
Emergency (after hours): Poisons Information Centre **13 11 26**

Section 2 – Hazard(s) Identification

GHS Classification: None.
Signal Word: None.
Hazard Statement(s): Not hazardous.
Precautionary Statements:

| Prevention | Response | Storage | Disposal |
|--------------------------------------|--|---|--|
| P102: Keep out of reach of children. | P353: Rinse skin or shower with water. P301+P330+P331: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. P332+P313 – If skin irritation occurs: Get medical advice. P337+P313 – If eye irritation persists: Get medical advice P370+P378 – Not combustible. Use extinguishing media suited to burning materials | P402+P404 – Store in a dry place in a closed container P403+P235 – Store in a well-ventilated place. Keep cool | P501 Dispose of contents/container in accordance with local regulations. |

ADG Classification: None allocated; not a Dangerous Good.

UN Number: None allocated

SUSMP Classification: None allocated.

Emergency Overview:

White non-woven fabric swab impregnated with a solution of Cetrimide in water. Individual swabs are sealed into flexible laminate sachets. Mild odour. No significant risk factors have been found for this product.

Section 3 – Composition and Information on Ingredients

| Ingredient | CAS Number | Proportion | Classification |
|----------------------------------|------------|---------------|----------------|
| Cetrimide 100% powder BP | 1119-97-7 | 0.2% (± 10%) | Not hazardous |
| Chlorhexidine Digluconate 20% BP | 18472-51-0 | 0.02% (± 10%) | Not hazardous |

AeroWIPE™ Cleansing Wipe

Safety Data Sheet

| | | | |
|------------------|-----------|----------------|---------------|
| Purified Water | 7732-18-5 | 99.78% (± 10%) | Non-hazardous |
| Non-woven fabric | N/A | N/A | Non-hazardous |

No hazardous ingredients present above relevant cut-off concentrations.

Section 4 – First Aid Measures

General Advice:

If irritation or discomfort occurs, seek medical advice. Show this SDS to the health professional.

Inhalation: Not an inhalation hazard under normal use.

Skin Contact: Rinse with water if irritation occurs.

Eye Contact: Mild irritation. Rinse cautiously with water. Seek medical advice if irritation persists.

Ingestion: Rinse mouth. Do not induce vomiting. Seek medical attention if discomfort occurs.

Symptoms and Effects: Seek medical advice if irritation or allergic reaction occurs.

Section 5 - Firefighting Measures

Suitable Extinguishing Media: Use media suitable for surrounding materials.

Specific Hazards: Product is non-combustible. If heated to dryness, may emit small amounts of carbon monoxide or dioxide.

Protective Equipment: Normal firefighting gear. No special precautions required.

Hazchem Code: Not applicable.

Section 6 – Accidental Release Measures

Personal Precautions: Wear gloves if handling large quantities.

Environmental Precautions: Prevent entry into waterways in bulk release.

Containment and Cleanup: Wipe up or rinse with water; dispose of in general waste.

Section 7 – Handling and Storage

Handling: Avoid contact with eyes. Follow good hygiene practices; wash hands after use.

Storage: Store below 30 °C in a cool, dry place. Keep pouch sealed until use. Protect from moisture and direct sunlight.

Section 8 – Exposure Controls / Personal Protection

Exposure Standards: No exposure limits established.

Engineering Controls: None normally required.

Personal Protective Equipment (PPE):

- Eyes: Not normally required. Use safety glasses if risk of splashing exists.
- Skin: No special protection required; wear gloves when handling bulk material.
- Respiratory: Not required under normal conditions.

Section 9 – Physical and Chemical Properties

| Property | Value |
|---|---|
| Physical state | A non-woven fabric impregnated with water and small amount of non-hazardous ingredients |
| Colour | Clear, colourless |
| Odour | Odourless |
| Melting/Freezing point | 0 °C |
| Boiling point/initial boiling point and boiling range | Not available |
| Flammability | Non-flammable |
| Lower and upper explosion limit/flammability limit | Non-flammable |
| Flash point | Non-flammable |

AeroWIPE™ Cleansing Wipe

Safety Data Sheet

| | |
|--|-------------------------------|
| Auto-ignition temperature | Non-flammable |
| Decomposition temperature | Not available |
| pH | Not available |
| Kinematic Viscosity | Not available |
| Solubility | Non-woven fabric is insoluble |
| Partition Coefficient: n-octanol/water (log value) | Not available |
| Vapour pressure | Not available |
| Density and/or relative density | Not available |
| Relative vapour density | Not available |
| Particle characteristics | Not available |

Section 10 – Stability and Reactivity

Reactivity: Stable under normal conditions.

Chemical Stability: Stable when stored correctly.

Conditions to Avoid: None known.

Incompatible Materials: No particular incompatibilities.

Hazardous Decomposition Products: Carbon oxides if heated to dryness.

Hazardous Polymerisation: Will not occur.

Section 11 – Toxicological Information

Acute Toxicity: None known.

Skin Corrosion/Irritation:

- Short Term Exposure: Available data indicates that this product is not harmful. It should present no hazards in normal use. In addition product is unlikely to cause any discomfort in normal use.
- Long Term Exposure: No data for health effects associated with long term skin exposure.

Eye Damage/Irritation:

- Short Term Exposure: This product may be mildly irritating to eyes, but is unlikely to cause anything more than mild discomfort which should disappear once product is removed.
- Long Term Exposure: No data for health effects associated with long term eye exposure.

Inhalation:

- Short Term Exposure: Available data indicates that this product is not harmful. In addition product is unlikely to cause any discomfort or irritation.
- Long Term Exposure: No data for health effects associated with long term inhalation.

Ingestion:

- Short Term Exposure: Significant oral exposure is considered to be unlikely. However, this product may be mildly irritating to mucous membranes but is unlikely to cause anything more than mild transient discomfort.
- Long Term Exposure: No data for health effects associated with long term ingestion.

Carcinogenicity, Mutagenicity, Reproductive Toxicity: None known.

Target Organs: None known.

Section 12 – Ecological Information

Insufficient data to be sure of status. Expected not to be an environmental hazard.

Section 13 – Disposal Considerations

Dispose of small quantities and empty packaging with general waste.

For larger quantities, use a licensed waste disposal contractor.

Comply with local waste regulations.

Section 14 – Transport Information

UN Number: Not applicable

Proper Shipping Name: Not applicable

AeroWIPE™ Cleansing Wipe

Safety Data Sheet

ADG Class: Not Dangerous Goods
Packing Group: Not applicable
Environmental Hazards: Not applicable
Transport in Bulk: Not applicable

Section 15 – Regulatory Information

TGA: Product is registered in the ARTG with ARTG No. 277597. Class I.
AICIS Status: All ingredients are listed on or exempt from the Australian Inventory of Industrial Chemicals (AIIC).
SUSMP: Chlorhexidine.
WHS Classification: Not hazardous.

Section 16 – Any Other Relevant Information

Date of Preparation: November 2025
Next Review Date: November 2030
Document Control No: AU-SDS-043 V3
