

**System-1 Break**

**10X3**

## Alkali Builder

A super concentrated, liquid alkaline booster for use in commercial and on-premise institutional laundries. Clax® System-1 Break contains water conditioners and is formulated for use in all water and soil conditions. Iron inhibitors ensure effective results in problem water conditions, while metal protectors prolong the life of laundry washing machines. When used in conjunction with Clax® System-1 Detergent, the powerful alkaline builders in System 1 Break ensure effective removal of heavy, greasy soils to produce excellent results in your laundry operation.

### Features & Benefits

- Super-concentrated formula providing optimum cost-in-use
- Powerful alkaline builders ensures effective soil removal
- Iron inhibitors prevents yellowing of linen
- Convenient liquid pack size

### Applications

- Can be used in all commercial stainless steel washing machines

# Clax<sup>®</sup> System-1 Break

Alkali Builder

## Use Instructions

Concentration varies due to environmental conditions and load size. Your sanitation specialist will adjust properly to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of soiled fabric into laundry machine.
4. This product is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually.

Your Diversey technician will adjust product concentrations based on results.

**Commercial Machines:** Dispense automatically with Diversey dispenser.

**Warning:** Do not mix with incompatible chemicals, such as acids or ammonia.

**Food Plant Use:** Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use or storage.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
