

# Spinner Garden Stake

## Assembly Instructions

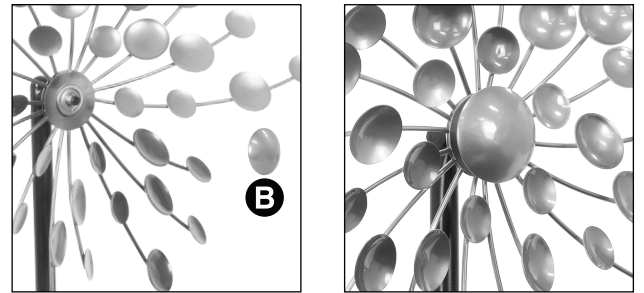

### Step 1:

Attach wheel (A) to top pole (C) by inserting wheel (A) into top pole (C).

### Step 2:

Attach nut (B) to top pole (C) (the result of step 1) by turning it to the right until it is firmly tightened.

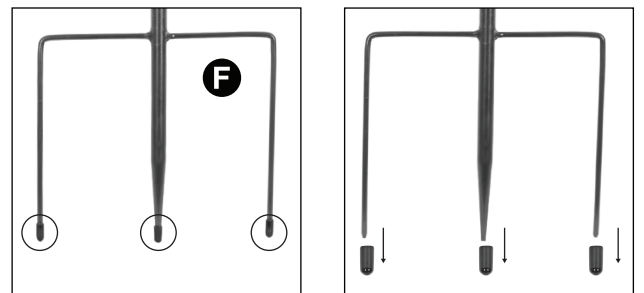

### Step 3:

Attach middle pole (D) to top pole (C) by turning it to the right until it is firmly tightened.

### Step 4:

Remove three plastic covers off stake base (F) by pulling them down.

Lay Assembly on the ground for the following steps.

**Step 5:**

Slide the stake support (E) into the stake base (F). Then attach middle pole (D) to stake base (F) by turning it to the right until it is firmly tightened. When everything is assembled, insert stake base firmly into the ground. For best results, install on flat ground and ensure that the stake is 90 degrees vertical to the ground.
