## Assembly Instructions

**STOP** Two People Needed For Assembly  
Please read all instructions before assembly.

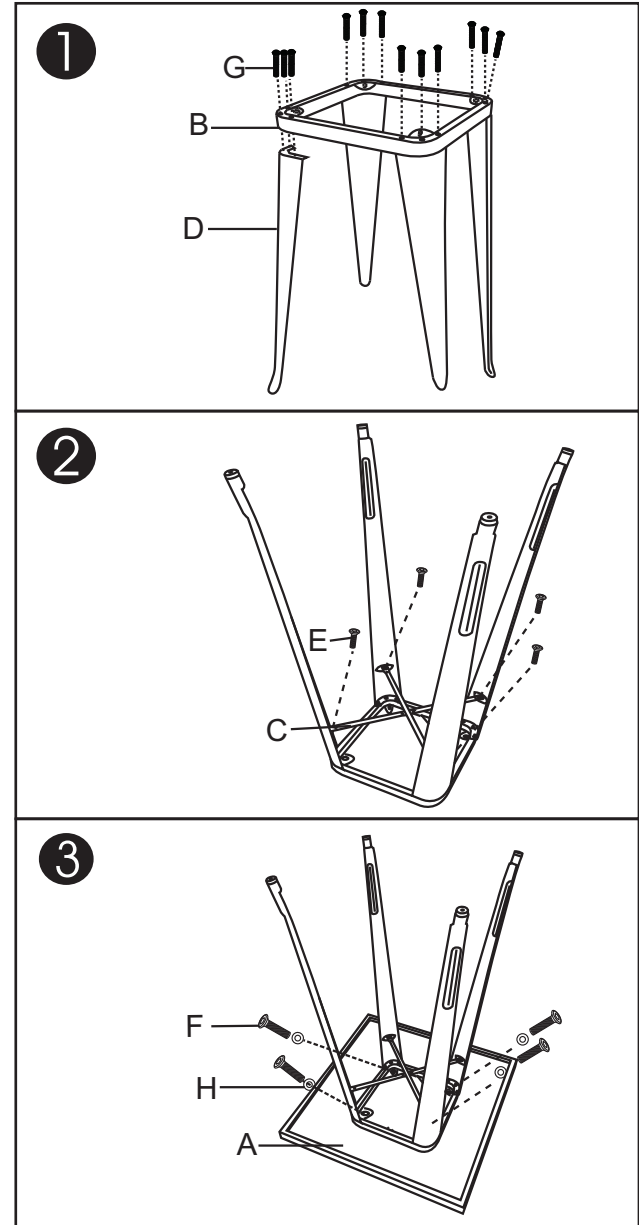

- Step 1:** Put the table supporting square frame(B) on a clean, flat surface. Assembled it with legs(D) by screws(G)
- Step 2:** Put the table leg and frame upside down on a clean, flat surface. Put the table top supporting tube(C) into it and fix with screws(E)
- Step 3:** Place the table top(A) upside down on clean, flat surface. Place table frame with legs upside down on the table top and assemble them together with the screws(F) and Washers(H).

### Assembly Notes:

During assembly, hand tighten screws only. When all screws are in place, you may then tighten all screws completely.

### CAUTION:

1. Do not use this table as a step ladder.
2. Check for loose screws and tighten them every 6 months.
