

VINTNER'S RESERVE ZINFANDEL

JACKSON ESTATE® • VINEYARD STEWARDSHIP

— NORTH COAST — 2022

WINEMAKING PHILOSOPHY

For over three decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool, coastal vineyards. We carefully match climates and soil types for each grape varietal, and then guide each vineyard lot throughout the entire winemaking process.

Our proprietary approach to winemaking has earned us our world-renowned reputation for wines that consistently exhibit our signature rich layers of flavor, combined with delicate balance.

KEY POINTS

- Dynamic raspberry flavors from grapes grown in Mendocino County.
- Grapes are harvested from fractured rock and gravelly loam soils with great drainage, showcasing their full potential of great fruit and chalky tannins.
- Vineyards are mostly older, if not historic, and dry farmed with well established root systems and low yields.

TASTING NOTES

“Fresh aromas of raspberry, plum, blueberry and rose hips. Bright and easy to drink, lively on the palate; red fruit with notes of dark chocolate and spice with an elegant, chalky finish.”

- RANDY ULLOM, WINEMASTER
FRITZ MEIER, WINEMAKER
