# TORCH STAKES

Save the packing slip for warranty purposes.

Review all information before using this product. Save this document for future reference.

Recommended for use with torches that have 3/4" to 1-1/4" diameter pole.

## INSTALLATION

1. Choose a location with soil that is firm enough to support the stake while it is in use, and where stake spike can be fully inserted into the ground.

**DO NOT INSTALL STAKE INTO LOOSE SOIL.**

2. Fully insert the spike of the torch stake into the ground. Ensure that the stake is straight and upright to prevent leaning.

3. Place the torch (not included) through the stake and into the ground approximately 2".

4. Tighten the thumbscrew to secure the torch. Torch not included.

 Do not use stakes with torch poles smaller than 3/4" diameter.

**Any modification to the product or failure to follow recommended care will void the product warranty.**
