R5.1 Plus

Air & Fabric Freshener

Use instructions

- Fill spray bottle using J-Fill® QuattroSelect® Dispensing System. The system will automatically dispense at the required dilution.
- Spray fabric evenly until damp. Odors are eliminated as fabric dries.
- Difficult odors may require a second treatment.
- Amount of product dispensed will affect the drying time.
- Washing the treated fabric is unnecessary.
- Allow treated fabric to dry before use.

Important: Not recommended for use on silk, leather or non-colorfast fabrics. If unsure about the reaction of a particular fabric, test on hidden area before using.

RoomCare™/MC Introduction

Superior formulation adapted to deal effectively with all the cleaning requirements of housekeeping. Easy to recognize product names, color-coding throughout the system, a set of dedicated tools, accessories and machines make RoomCare™/MC the perfect choice.

RoomCare™/MC range is the solution of choice when combining performance, safety for the user and environmental responsibility.

R5.1 Plus Air & Fabric Freshener eliminates malodors by changing malodor compounds and causing them to evaporate. They eliminate malodors caused by tobacco, food, urine and body odors and are safe to use on colorfast and washable fabrics.
