

This diagram illustrates a fracture of the vertebral body. The fracture is characterized by a vertical crack through the anterior portion of the vertebral body. The fracture line is clearly visible, and the resulting fragments are shown. The diagram is labeled with 'FRACTURE' and 'VERTEBRAL BODY'.

FIGURE 1. FRACTURE OF THE VERTEBRAL BODY.

FALCETUDE

This diagram illustrates a fracture of the vertebral body with falcetude. The fracture is characterized by a vertical crack through the anterior portion of the vertebral body, with a distinct curvature or 'falcetude' at the fracture site. The diagram is labeled with 'FALCETUDE' and 'VERTEBRAL BODY'.
