

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Surface Cleaner & Sanitiser is a water based foaming surface cleaner and sanitiser that cleans, disinfects, and deodorises in one easy step. The foaming, non-drip formula is ideal for vertical or inverted surfaces. Powerful cleaning agents aid the removal of dirt, dust, grease and grime. Use confidently on all surfaces, around the workshop, factory, office or home.

II. Features & Benefits

- Kills 99.9% of germs.
- Starts working on contact.
- Ready to use aerosol.
- Foaming, non-drip formula is ideal for vertical or inverted surfaces.
- Lifts dirt, dust, grease and grime to be wiped away.
- Contains the antimicrobial *o*-phenylphenol which damages the protective membranes of bacteria and viruses with protective shells.

III. Application and Directions

1. Shake can well.
2. Hold can 15-20 cm away from surface to be cleaned and spray until covered.
3. Allow product to soak for 30 seconds, before wiping surfaces clean.

IV. Typical Properties and Characteristics

Appearance	Colourless foam
Odour	Mild odour
Solubility	Miscible in water
pH	11.0
Composition of sanitiser base (g per 100g)	0.15 g <i>o</i> -Phenylphenol
Propellant	Hydrocarbon 6%
Flash Point	20 °C
Flammability	Extremely flammable aerosol

V. Package Description

Part Number	Size
1752196	530 ml/500 g

VI. *Special Precautions*

General:

Extremely flammable aerosol. Keep away from sparks, open flames and hot surfaces. Do not spray on an open flame or other ignition source.

Harmful if inhaled. Use in a well-ventilated area. Deliberately sniffing or inhaling concentrated spray can be harmful or fatal. Do not eat, drink or smoke when using this product. Causes skin and serious eye irritation. Wear protective clothing and eye protection.

Aerosol Cans:

Contents under pressure. Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

Aerosols should be empty before disposing of. Recycle can if facility is available or dispose of contents/container according to local regulations.

First Aid:

Inhaled – If inhaled and feeling unwell, remove to fresh air and keep at rest. If unwell feeling persists, call a Poison Centre or doctor.

Skin – Wash with plenty of soap and water.

Eyes – Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Refer to Safety Data Sheet (SDS) for more details.
