

Reserve Whiskey

## Crafted For Your Personal Taste

The Whiskey & Wine collection delivers wood floor pairings with varied levels of texture. Wine floors offer clean, smooth grains, while Whiskey styles serve bolder character with more knots and personality. All floors feature a top beauty layer of premium European white oak over a sustainable wood core. This engineered design boosts dimensional stability and allows up to 4x as much flooring from each tree.

### Crafted Protection

Planks are protected by a safe-for-the-home aluminum oxide finish which highlights the wood's visual personality and helps to prevent scratches.

### Project Versatility

Flooring is tongue-and-groove milled and can be glued down or nailed with the assist of a T&G adhesive.

### Trusted Design

Floors are backed by a 50-year residential and 15-year commercial warranty with all wood responsibly harvested from Lacey Act compliant forests.
