

CyberPower™

Mobile Power Adapters

**2 YEAR
Product
Warranty**

In the car, in the air or on the water, CyberPower's mobility power adapters provide AC power no matter how you choose to travel. All products have standard 110V AC receptacles to accommodate the equipment you bring on your trip.

With built in surge protection, your equipment is safe from surges during your car's startup as well as when you turn it off. In the air, the in-seat power receptacle can be utilized with the included adapter.

Product Features

- 1 Standard 110V AC outlet accommodate all notebooks and mobile accessories.
- 2 Built-in surge protection allows for safe usage during car start-up and shutdown
- 3 Fuse protected cigarette lighter adapter
- 4 Plug in to a plane's in-seat power receptacle
- 5 USB Accessory powered port
- 6 Optional 3-prong adapter
- 7 Built-in Splitter provides AC and DC simultaneously.
