

FURRION

## Furri<sup>on</sup> Lumina™ Solar-Powered Retractable Awning

Experience instant shade at your command with the Furri<sup>on</sup> Lumina solar-powered retractable awning – the motorized, solar-powered solution that brings shade, comfort and style to your home or business.

# Shade on Command

Whether mounted on walls, roofs or the underside of eaves and overhangs, this retractable home awning adapts to your space seamlessly. Compatible with siding, wood, vinyl, aluminum, masonry and brick, the installation options are limitless. Choose from widths ranging from 12 ft. to 20 ft. and up to a 12 ft. projection, allowing you to tailor the awning to your specific needs. With premium Sunbrella® woven acrylic fabric in designer colors and two powder-coated frame options, you'll have plenty of choices to match your outdoor decor. Backed by a 10-year Limited Warranty, the Furrrion retractable outdoor awning is not just a purchase; it's an investment in comfort, style and durability for years to come.

Reduce the need for costly wiring with innovative solar-powered operation

Reduce temperatures by up to 20° for refreshing outdoor relaxation on scorching summer days

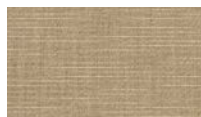

10-year limited warranty giving you years of worry-free enjoyment
