

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Dispense BUILT DETERGENT 51 directly from its shipping container using an automatic liquid dispensing system. The authorized representative servicing your facility will establish a program suitable for your individual requirements.

Built Detergent 51 is a high alkaline laundry detergent that contains surfactants and anti-redeposition agents. Produces whiter whites. Highly effective in both hard and soft water conditions. Safe for all types of natural and synthetic fabrics. May be used in hot, warm and cold wash programs. For institutional laundry use only.

Features & Benefits

- Eliminates the need for a break.
- Water conditioners.
- Free rinsing.
