

SENSORY PACK

3+

outer space

**Welcome to a world of sensory exploration
and imaginative play! Squish, create, have fun!**

CARE AND SAFETY

- Adult supervision is recommended
- Children should wash their hands before and after use.
- Cloud clay is non-toxic, but not meant to be ingested.
- Small parts may be a choking hazard for younger children; keep out of reach of infants.
- Use the resealable pack for storage when not in use.

WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Set Up

Cover a flat surface with a play mat, tray, or disposable tablecloth for easy cleanup. Open the sensory pack with your child and explore all the textures, colors, and shapes.

Let's Explore

Have your child feel and squish the soft, stretchy texture of the cloud clay. Have them sprinkle in the glow stars and alien confetti.

Show them how to make prints and cut shapes using the clay stamp and cookie cutter.

Promote creativity by having your child build landscapes and arrange the toys to create scenes and stories.

Turn off the lights to see what glows in the dark!

Clean up

When your child has had their fill of sensory exploration, gather all the materials back into the sensory pack. Seal it up for future adventures.
