

QUESTION

The following table shows the number of people who attended a concert in each of the five years from 2010 to 2014. The number of people who attended the concert in 2010 was 1000. The number of people who attended the concert in 2011 was 1200. The number of people who attended the concert in 2012 was 1500. The number of people who attended the concert in 2013 was 1800. The number of people who attended the concert in 2014 was 2000.

Year	Number of people
2010	1000
2011	1200
2012	1500
2013	1800
2014	2000

What is the average number of people who attended the concert in each of the five years?

ANSWER

Year	Number of people
2010	1000
2011	1200
2012	1500
2013	1800
2014	2000

The average number of people who attended the concert in each of the five years is 1500.
