

# Soft Care<sup>®</sup> Hand Sanitizing Wipes

## Alcohol-Free

Soft Care<sup>®</sup> Hand Sanitizing Wipes are alcohol free ready-to-use cleaning and sanitizing wipes. Ideal for retail environments, educational facilities, municipal buildings, and other areas where sanitizing is needed and alcohol is not desired. Non-tacky formula moisturizes with Aloe, Glycerin and Vitamin E to leave hands feeling clean and fresh.

### Features & Benefits

- Alcohol-free formula
- Contains Aloe, Glycerin and Vitamin E to moisturize hands with each use
- Sanitizes hands while removing light soil
- Excellent for cleaning surfaces such as cart handles and gym equipment
- Convenient and easy to use packaging

### Applications

- Use in Retail, Education, Healthcare or Municipal environments where hand sanitizing is needed and alcohol not desired.
- Use for hard surface cleaning on items such as carts handles, equipment and tables

# Soft Care® Hand Sanitizing Wipes

Alcohol-Free

## Dispensing Directions

- Remove lid by lifting upward. Remove foil seal.
- Pull towel from center of the roll and thread through “X” on the underside of the lid.
- Close lid. Pull towel at 90° angle.
- Snap hinged cap back into place to ensure towels stay moist.

## Use Directions

- Wet hands thoroughly with product and allow to dry.
- Children under six years of age should be supervised when using this product.

**Disposal:** Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
