

Figure 1: A technical drawing of a rectangular box with a hole on the top surface, showing both a perspective view and a top-down view.

The perspective view shows a rectangular box with a smaller rectangular hole on the top surface. The top-down view shows a rectangle with a smaller rectangle inside it, representing the hole.

The perspective view shows a rectangular box with a smaller rectangular hole on the top surface. The top-down view shows a rectangle with a smaller rectangle inside it, representing the hole.

The perspective view shows a rectangular box with a smaller rectangular hole on the top surface. The top-down view shows a rectangle with a smaller rectangle inside it, representing the hole.
