

COZY BOWL HOLDER SET

Cuddle up with a warm bowl of soup or your favorite frozen treat. Lippert cozy bowl holders are perfect for insulating the food in your bowl while protecting your hands.

MEALTIME JUST GOT EASIER

Durable Material

Made from premium polyester fabric that can withstand up to 400°F of heat, which means you can protect your hands while not worrying about causing damage to your countertops

Versatile Use

Get the most out of these microwave bowl holders! You can use each one as a hot or cold bowl cozy, potholder, baking sheet holder or trivet

Quality Design

With a four-corner design made for hugging bowls, easily grab hot or cold dishes while keeping your food insulated

Whether you're handling a piping hot bowl from the microwave or dishing out a frozen dessert, Lippert cozy bowl holders will protect your hands from burning or freezing and keep your food warm or cold at the same time
