

Comfort-Grip Scissors

Vantage® 5", 6", and 8" Comfort-Grip Scissors

Dahle's Vantage® Comfort-Grip Scissors are lightweight and provide a soothing surface for your fingers. They feature soft contoured handles that reduce pressure points, and screw fastened double-ground blades ideal for fine trimming. These ergonomically correct scissors are great for trimming paper, cardstock, canvas, and fabric.

Features | Benefits

- Soft, contoured handles provide comfort and reduce pressure
- Rubberized surface provides grip
- Double ground cutting blades offer precision trimming of thicker material
- Stainless steel blades are durable and rust resistant
- Screw fastened blades for easy adjustment of cutting tension
- Great for home, school, art, or office use

Double ground, screw fastened blades are able to cut through thicker materials.

Soft cushioned handles are gentle and reduce hand fatigue when cutting.

| Model No. | Scissor Length | Cutting Length | Warranty |
