## FLAVORFUL THAT'S ALL SO BENEFICIAL.

Functionality is on the rise, with consumers looking to food and beverage to fuel their day, boost their mood and supplement their health routines. As a result, the consumer-perceived gap between food, supplements and medicine continues to narrow.

MATCHA LATTE

> THAI TEA

TURMERIC LATTE

Available JUNE 2020

**55%** of U.S. consumers seek added functional benefits from their everyday food and beverages beyond their inherent benefits.

## THREE NEW FUNCTIONAL WAYS TO UNWIND.

We introduced chai to America, and now we're introducing three new functional tea latte concentrates to your menu. On trend and in demand, each flavor combines quality ingredients and wholesome benefits that fuel more feel-good moments.
