

D3.5

Heavy Duty Foaming Grease-Release Cleaner

A neutral, solvent-free degreaser for removing protein, fats grease, oils and other food soils in a food preparation environment.

Features & Benefits

- Penetrates, lifts and dissolves soil on hard surfaces, especially where grease is a problem
- Removes protein, fats, grease, oils and other food soils
- Foam away fats, oils, grease, dirt, grime, soap scum from walls, floors and equipment
- Cleans fast and easy without scrubbing
- Cleans even hard to clean grout

Applications

- Use in food preparation environments such as supermarkets, restaurants, butcher shops and food processing plants
- For use in foaming, spraying, moping, brushing, or spray and wipe application
- Effective on most surfaces, including plastics and stainless steel. Do not use on painted surfaces

Suma® Break-Up®

Heavy Duty Foaming Grease-Release Cleaner

Use instructions

Spray foam cleaning

- Pour Suma® Break-Up® D3.5 Heavy Duty Foaming Grease-Release Cleaner cleaner into Suma® Break-Up® D3.5 Heavy Duty Foaming Grease-Release Cleaner foam equipment container or ensure its proper connection to the Time-Mizer™/MC wall-mounted unit.
- Apply foam liberally to all washable surfaces.
- Allow foam to cling for at least 5 minutes, but do not allow foam to dry.
- Rinse all surfaces thoroughly with potable water.

Mop and Bucket

- Dilute 6 oz. of cleaner per gallon of hot water (1:20).
- Using a mop or sponge, apply product liberally to the surface.

- Allow product to penetrate soil.
- Scrub with brush or floor machine as necessary.
- Pick up solution with mop, rinse with potable water.

Soak Cleaning

- Dilute 6 oz. of Suma® Break-Up® D3.5 Heavy Duty Foaming Grease-Release Cleaner cleaner per gallon of hot water (1:20) into bucket or sink.
- Soak parts, use brush or sponge as necessary.
- Immerse parts in potable rinse water.

NOTE: When cleaning floors, position wet-floor signs around area to be cleaned. Exercise caution as wet surfaces may be slippery. Avoid contamination of food during use or storage.
