

4', 6', 8'

## NOT A STANDARD A-FRAME, THE NEW A-FRAME STANDARD

### 1. NEXT-LEVEL TOP CAP

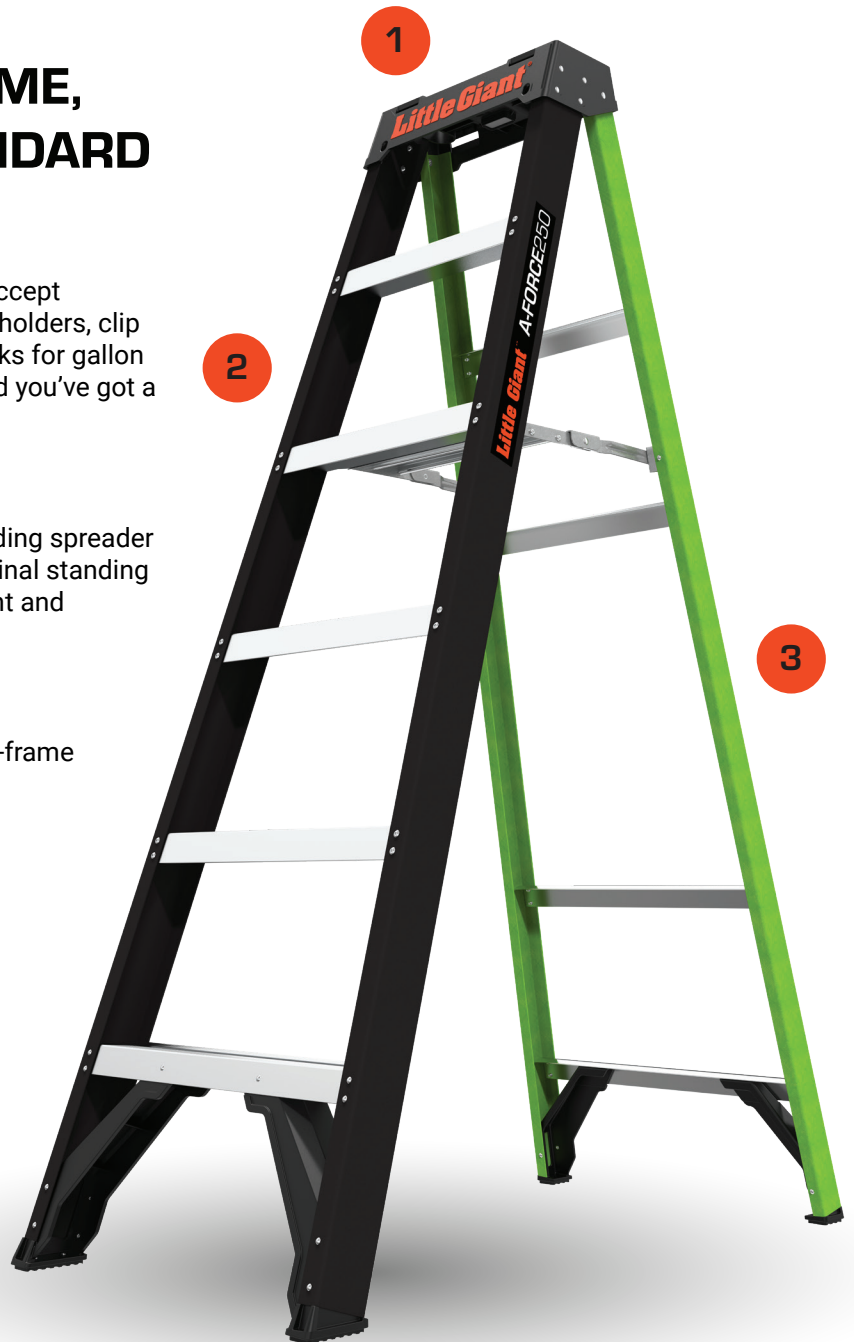

Four ports on the sides and rear of the top cap accept compatible Little Giant accessories. Add drill bit holders, clip holsters for drills and tape measures, friction locks for gallon and quart cans, and a magnetic fastener tray, and you've got a full toolbelt at the top of your ladder.

### 2. SINGLE-HANDED SPREADER STEP

Easy setup with built-in comfort. The patent-pending spreader step gives you four extra inches of room on the final standing step, as well as an easy hand hold for deployment and takedown.

### 3. NON-CONDUCTIVE FIBERGLASS

Made from durable, lightweight fiberglass, this A-frame lets you work fearlessly around electricity.

## PRODUCT DESCRIPTION

The A-Force250™ from Little Giant® sets up quickly, transports easily, and performs like a pro. Every. Single. Time. With a patent-pending spreader step, versatile top cap, and sturdy full-boxed steps, this step ladder will help you get stuff done for years to come. The A-Force250 meets or exceeds all OSHA and ANSI standards, and is rated Type I to hold 250 lbs.

### 1-YEAR LIMITED WARRANTY
