Red Juice Stain Remover

A spotter designed for the removal of food and beverage dye stains from carpet surfaces.

Features

- Effective on red drinks (wine, punch, fruit)
- Effective on greasy food (butter, oil, salad dressing, mayonnaise)
- Effective on gravy, ice cream, mustard
- Effective on chocolate

Benefits

- Can be used to remove red juice from carpets

Applications

- For use as carpet stain remover
-

Red Juice Stain Remover

Use Directions

Normal Method

- Apply Red Juice Stain Remover to spot.
- Agitate with a scraper, working from the outside in to keep the spot from spreading.
- Allow to work for 5 – 10 minutes.
- Blot with clean white towels to absorb stain. Repeat if necessary.
- Extract or rinse with water and blot dry.

Heat Transfer Method

CAUTION: The heat transfer method may damage the carpet if the iron is left on the area too long, and in some cases may lighten the carpet.

- Reapply Red Juice Stain Remover to the stain.
- Place a thin, wet, white terry cloth towel over the stained area.
- The towel must remain wet at all times.
- Fill iron with water and place on high or cotton setting.
- Place iron on wet towel over stain, approximately 5 seconds.
- Continue moving wet towel to wet areas until color is no longer transferred to towel.
- Reapply Red Juice Stain Remover each time the towel is moved to a new area.
- Extract or rinse with water and blot dry.

Product Specifications

Description	
Color/Form	Clear colorless liquid
pH	11.27
Scent	Solvent
Shelf Life	2 years

Available Items

SKU Code	Description/Package Size	Dilution
5002540	6 x 32 oz./946 mL Squeeze Bottles	Ready-to-Use
95002540	6 x 32 oz./946 mL Squeeze Bottles	Ready-to-Use

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
