Non-Acid Bowl and Bathroom Disinfectant Cleaner

A non-acid formula that cleans, disinfects and deodorizes a variety of hard, nonporous bathroom surfaces in one step.

Features & Benefits

- Concentrated formula dilutes at 1 oz. per gallon delivering cleaning performance for just pennies per diluted gallon
- Formula provides broad spectrum efficacy against common bathroom microorganisms such as HIV-1, Staphylococcus aureus, Salmonella enterica, E. coli, Trichophyton mentagrophytes and other microorganisms
- 10 minute contact time
- Clear blue in color with a pleasant floral scent

Applications

- Suitable for use on chrome, brass or other polished metal surfaces
- Use on hard, nonporous surface areas of toilet areas, behind & under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause malodors
- Can be used with a mop and bucket, trigger sprayer, sponge, or by soaking
Use Instructions

Preparation of Use-Solution:

- Disinfection – Non Medical (1:128) 1 oz. per gallon of water
- Virucide - (1:128) 1 oz. per gallon of water

DISINFECTION/VIRUCIDAL/FUNGICIDAL/MOLD AND MILDEW CONTROL DIRECTIONS:

- Apply use-solution to hard, nonporous surfaces, thoroughly wetting surfaces with a cloth, mop, sponge, sprayer or by immersion. Treated surfaces must remain wet for 10 minutes. Wipe dry with a cloth, sponge or mop or allow to air dry. For heavily soiled areas, a preliminary cleaning is recommended.
- Prepare fresh solution daily or more often if the solution becomes visibly dirty or diluted
- Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware and dishes as a disinfectant.
- For sprayer applications, use a coarse spray device. Spray 6 - 8 inches from the surface, rub with a brush, sponge or cloth. Do not breathe spray.

For fungicidal activity:

- At 1 oz. per gallon of water, this product is an effective fungicide against Trichophyton mentagrophytes (the athlete’s foot fungus) when used on surfaces in areas such as locker rooms, dressing rooms, shower and bath areas and exercise facilities.
- For mold and mildew control:
  - At 1 oz. per gallon of water, this product will effectively inhibit the growth of mold and mildew and the odors caused by them when applied to hard, non porous surfaces. Allow to dry on surface. Repeat every seven days or more often if new growth appears.
  - This product is not for use on medical device surfaces

TO CLEAN AND DEODORIZE:

- Mix 1 oz. of this product per gallon of water to clean and deodorize surfaces. Apply using a cloth, mop, sponge or sprayer. Wipe or allow to air dry.

NON-ACID TOILET BOWL AND URINAL DISINFECTANT/CLEANER DIRECTIONS:

- If surfaces are visibly dirty, preclean first.

From Use Solution:

Empty toilet bowl or urinal and apply a 1 oz. per gallon use-solution to exposed surfaces and under the rim with a cloth, mop, sponge or sprayer. Brush or swab thoroughly, allow to stand for 10 minutes and flush.

**KILLS HIV ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS** in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1 (HIV-1) (associated with AIDS)

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 ON SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS

- PERSONAL PROTECTION: Clean up should always be done wearing protective gloves, gowns, masks and eye protection
- CLEANING PROCEDURE: Blood and other body fluids containing HIV-1 must be thoroughly cleaned from surfaces and objects before application of this product
- CONTACT TIME: Leave surface wet for 10 minutes
- DISPOSAL OF INFECTIOUS MATERIAL: Blood, body fluids, cleaning materials and clothing should be autoclaved and disposed of according to local regulations for infectious waste disposal

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, http://naextranet.diversey.com/dot/, for up-to-date shipping information.
