

2021 ÉLEVÉE VINEYARD PINOT NOIR

VINEYARD

Élevée Vineyard, located in the heart of the Dundee Hills sub-AVA, gives us classic characteristics of red fruit and spice. Vineyard owners, Tom and France Fitzpatrick, care for each individual vine, always looking to grow better fruit each vintage for those who source from their site. With limited fruit from this small vineyard, we carefully selected prestige blocks with clonal plantings of Dijon 115, 777, and Pommard to produce a delicate and well-rounded vineyard-designate Pinot Noir.

AVA	PLANTED	SOIL	ELEVATION	CERTIFICATIONS	CLONES
Dundee Hills	1998	Jory	490'- 540'	LIVE, Salmon-Safe	777, 115, Pommard

2021 VINTAGE

The 2021 growing season began with a winter ice storm, followed by rain at bloom and a heat dome in June. Overall yields were decreased due to the rain at bloom, but flavor intensity remained strong. A warm growing season kept berries small and concentrated. Much needed rains in early September extended the growing season, allowing the grapes a little extra hang time to build up flavor and balance acidity.

TASTING NOTES

The nose opens with earthy red fruits, dried herbs, and oak. A subtle cherry sweetness on the palate is balanced by savory notes, creating a lingering finish.
