### Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

A heavy-duty formulation that works on grease, caked-on foods and other cooking soils. For daytime application or overnight cleaning. This formula penetrates, emulsifies and holds the soils so you can wipe the surface clean with water. The thick foam clings to vertical surfaces - no running, no dripping. This product is also excellent for cleaning grills, rotisseries, stove burners, electric frying pans, and other cookware that is resistant to caustic.
