

STEP-IN GAZING GLOBE STAND

ZIB-874

Review all assembly and care information before using this product. Save this manual for future reference.
Assemble components on a soft, clean surface to avoid damaging the finish.

Inspect packaging to ensure all parts are accounted for before disposing of packing materials.
Save the packing slip.

NO.	PARTS	QTY.
A	Globe Cradle	1
B	Single-Threaded Pole	1
C	Double-Threaded Pole	1
D	Step-in Base	1

ASSEMBLY

1. Firmly secure Double-Threaded Pole (C) to Step-in Base (D).
2. Firmly secure Single-Threaded Pole (B) to Double-Threaded Pole (C).
3. Firmly secure Globe Cradle (A) to Single-Threaded Pole (B).

INSTALLATION

1. Choose a location with soil that is firm enough to support the stand while in use. Do not install into loose soil as it may cause the stand to tip over.
2. Take care not to push on the globe cradle during installation as doing so may bend or break the unit.
3. Push Step-in Base (B) into the ground. Ensuring the prongs install evenly, step on the base to fully install it into the ground; you may need to alternate and repeat which prong you step on for even installation. If you encounter resistance during installation, do not force the prongs into the ground; check for obstructions such as stones or tree roots.
4. Place your gazing globe (not included) into the globe cradle and tighten the screws. Take care not to over-tighten the screws as doing so may break your gazing globe.

USE & CARE

- Choose a flat, level location to install the stand.
- Avoid high-traffic areas such as locations where children and pets play.
- Clean the unit with a soft, damp cloth.
- Water may seep into the connection points and cause the treaded components to rust. Periodically check connection points and clean them to prevent damage.

! IMPORTANT INFORMATION !

- Do not install into loose soil as the unit may lean or tip over.
- Remove your gazing globe (not included) from the stand during windy conditions.
- Do not bend the metal.
- To prevent rusting, store indoors during winter and inclement weather conditions.

Any modification to the product or failure to follow recommended care will void the product warranty.
