

THE 3M™ FALL PROTECTION 20058 ROOFING KIT PROMOTION

A convenient fall protection compliance kit for most roofing applications. Complies with OSHA 29 CFR 1910.66, 1926.502 regulations and meets the requirements of ANSI Z359.1-2007 standards.

FOR A LIMITED TIME, SAVE ON BULK ORDER PURCHASES

20058 Roofing Kit Includes:

▪ **50 ft. Rope Lifeline Assembly with Manual Rope Adjuster 0221-50RG**

Rated for workers with a total weight capacity of up to 310 lbs. Lifeline assembly helps to provide user with a wide range of mobility for most roofing applications.

▪ **SafeLight Universal Harness 10910**

5 points of adjustment with pass-thru hardware for better fit and comfort. Universally sized (S-XL).

▪ **SafeLight 6 ft. Energy-Absorbing Lanyard 209512**

6 ft. Energy-Absorbing Lanyard for users with a total weight capacity of up to 310 lbs. Built-in energy absorber limits the forces of a fall arrest to 900 lbs.

▪ **Reusable Roof Anchor 4000**

Steel anchor rated up to 5,000 lbs. Use on metal or wood. Fits most pitch angles. Easy to install and can be reused under most conditions.

▪ **Storage Bucket 5000**

5 gallon bucket with lid for convenient storage and reuse.
