

West Bend 1.5 Liter Electric Kettle, in Black

Quickly and efficiently boil water with the West Bend 1.5L Electric Kettle. This large-capacity electric hot water kettle has a 1500-watt heater for faster boiling, making it ideal for making your favorite hot tea, coffee and more. The cordless kettle lifts from the corded base, and the ergonomic right- or left-hand use handle makes for convenient filling, pouring and serving.

- 1.5L double-layer stainless steel electric kettle with stay-cool plastic outer layer
- Strix temperature controller with boil-dry protection
- Cordless kettle lifts from corded base for easy filling, pouring and serving
