

## Q1.1. In an international environment

The ILO provides international workers with the right of freedom of association. It requires states to recognize workers' rights. The state government, employers, workers, and international organizations must work together to ensure that workers' rights are protected.

The ILO provides international workers with the right of freedom of association. It requires states to recognize workers' rights. The state government, employers, workers, and international organizations must work together to ensure that workers' rights are protected.
