

LYSOL®

LYSOL® Disinfectant Spray - NeutraAir™ 2in1

Remove odors from your facility once and for all with the Lysol® NEUTRA AIR Sanitizing Spray. Unlike other air fresheners and odor neutralizers that only mask odors temporarily, this product kills odor-causing bacteria at the source. It's proven effective against even the toughest odors from bathrooms, smoke, and food. Your employees and customers will enjoy fresh, clean-smelling air every day.

Features & Benefits

- Kills 99.9% of odor-causing bacteria when used as directed
- Disinfects hard non-porous surfaces when used as directed
- Eliminates bathroom, trash, mildew and food odors
- Helps fight the spread of germs
- Kills the cold and flu virus when used as directed

* When used as directed.

Use instructions

- To deodorize: Spray on surfaces as needed.
- To Disinfect Hard Non-Porous Surfaces: Pre-clean surface. Spray until thoroughly wet. Leave for 5 minutes and allow to dry.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
