

CREATIVITY counts

Creativity Can develop the skills needed to achieve lifelong success.

Creativity develops children's problem solving and critical thinking skills - it's the catalyst for invention, innovation and ideas that influence the future.

TEACHES
Shapes & Colors

FOSTERS
Creativity

DEVELOPS
Fine motor skills

Choose your sun catcher design,
then start adding translucent stickers!

PEEL

Playing & Learning

While your child creates,
encourage them to identify
the shapes they are choosing.

STICK

Help practice fine motor skills

Keep Stickers inside sun catcher edges,
and keep stickers from covering the cut-out

Try Layering shapes to make different colors

Playing & Learning

Can you name the new
color made by the
layered shapes?

Show off your
creations!

Make sure window is clean.
Use suction cups to hang finished
suncatchers.
