MFC-J6955DW

**INKvestment
TANK**

The eco-friendly Brother MFC-J6955DW INKvestment Tank colour inkjet all-in-one with advanced triple layer security is perfect for small office or small business use. Print, copy, scan, and fax from a computer, mobile device, or from its 3.5" LCD colour touchscreen.

Up to 1 year of
ink in the box ▼

High-quality printing
at up to 28 ppm

Advanced
security features

- **Reliable printing that lasts.** Start printing and keep printing for a long, long time with up to 1 year of ink in-box. Brother INKvestment tanks are bottle-free – no fuss, no mess!
- **Features MAXIDRIVE Inkjet Technology.** Brother's next generation of inkjet printing technology, the MFC-J6955DW features our fastest INKvestment tank print speeds ever – up to 28 ppm.
- **Keep your business documents secure.** Triple Layer Security features help safeguard sensitive documents and securely connect to the device and network while printing.
- **Versatile paper handling.** Print up to 11" x 17" (ledger) size from the 250-sheet tray or use the 100-sheet multipurpose tray to print on envelopes, cardstock and more. Copy, scan, or fax up to 8.5" x 11" (letter) size with the 50-page auto document feeder.
- **Flexible connectivity.** Use built-in dual band wireless (2.4GHz/5GHz), Wi-Fi Direct, connect via Ethernet, or even connect to a single computer through a USB cable. Even works with Amazon Alexa!
- **Print on the go.** Print, scan, and manage your printer from almost anywhere when connected through a wireless network using the Brother Mobile Connect App.
- **Intuitive Cloud connection.** Print-from and scan-to popular cloud apps like Dropbox, Google Drive™, Evernote, OneNote and more directly from the 3.5" colour touchscreen. Create time-saving custom shortcuts right on the screen for frequently used features.
- **Eco-friendly features.** EPEAT® and ENERGY STAR® certified with eco-friendly options like Eco Mode and Ink Save Mode. Plus, default duplex printing helps reduce paper use.
- **Print confidently with Brother Genuine Ink.** Brother Genuine Ink is engineered to perform optimally with your Brother Colour INKvestment printer, to ensure smooth and reliable printing with vivid colours and sharp images.
- **Brother At your side support.** Two-year limited warranty with free online or live chat support for the life of your product.

- Windows only.
- Requires an Internet connection.
- Black and white only. Based on ITU-test 1 Chart No.1 at standard resolution with MMR compression.

13. PC-Fax Send Only for Mac® users.

14. See system requirements on www.brother-usa.com

15. Requires connection to a wireless network.

16. Maximum capacity based on using 20 lb. paper.

17. Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

18. The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

19. Approximate page yields in accordance with ISO 24711. For more page yield information, see www.brother.com/pageyield.
