WINEMAKING PHILOSOPHY

For over three decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool coastal vineyards. We carefully match climates and soil types for each grape varietal, and then guide each vineyard lot throughout the entire winemaking process. Our proprietary approach to winemaking has earned us our world-renowned reputation for wines that consistently exhibit signature rich layers of flavor combined with delicate balance.

KEY POINTS

- Coming primarily from Monterey and Santa Barbara's cool coastal vineyards, the Pinot Noir is bright, juicy and vibrant with delicate floral and pink citrus fruit nuances.
- The Syrah in this wine contributes a beautiful pink/coral color and strawberry fruit notes.
- Stainless steel fermentation retains the bright fruit character, freshness and purity of the wine and makes it perfect for sipping on its own or paired with bright spring and summertime meals.

TASTING NOTES

"A gorgeous hue of pale pink, jumps out of the glass with crisp grapefruit, strawberry and white floral notes. Aromas of fresh cut watermelon, hibiscus, and apricot."

- RANDY ULLOM, WINEMASTER
ANDI GRAY, WINEMAKER
