Clax® Profi™/MC

Detergent - heavy duty, without bleach

Clax® Profi™/MC Detergent — heavy duty without bleach is a complete liquid mainwash detergent specially formulated for use in commercial, healthcare and on-premise laundries. The product has been designed solely for automatic dosing and is suitable for washing all cotton & poly-cotton fabrics.

Use Instructions

- Use Clax® Profi™/MC laundry detergent as directed by your Diversey representative
- This product can be used in all commercial washing machines
- Do not use in homestyle machines
- This product is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually. Clax® Profi™/MC laundry detergent is dispensed at various rates depending on soil load, fabric, water conditions and equipment.
- **For Food Plant Use:** Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use or storage.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
