

SPEEDKNIT™ S1DC05

COATED WORK GLOVES

Our SpeedKnit™ S1DC05 coated work gloves are constructed with 15-gauge machine-knit nylon to protect working hands from small cuts and skin abrasions. The working side features environmentally friendly touchscreen capable water-based urethane coating to maintain grip in dry or wet conditions.

FEATURES

- 1 Comfortable 15-gauge knit Nylon construction protects against skin abrasions.
- 2 Water-based urethane palm coating is extremely tactile and offers good grip performance in dry or wet working conditions.
- 3 Touchscreen capable to keep users safe and connected.
- 4 Silicone free and DMF free.
