

EstroVantage EM[®]

Estrogen Modulator

Supports Female Health During PMS or Menopause*

- Helps maintain a healthy estrogen metabolism ratio during PMS or menopause*
- Supports the detoxification of the body's natural toxins as well as naturally produced hormones by supporting phase 1 and phase 2 liver enzymes*
- Is a unique combination that includes a variety of herbal constituents
- Suitable for vegetarians/vegans

Code: 9672

Size: 90 Vegetarian Capsules

Actual Size: 22.27 mm x 7.66 mm

PRODUCT SUMMARY

EstroVantage EM provides a comprehensive formula of plant-based compounds that may help support the normal metabolism of estrogen and its metabolites.* Cruciferous vegetables contain a variety of glucosinolates, which some studies have associated with maintaining healthy cellular structure and function, and supporting normal cell division most likely by causing a shift in metabolism to healthier estrogen metabolites.*^{1,2} EstroVantage EM contains indole-3-carbinol (I3C) and its metabolite 3,3'-diindolylmethane (DIM), as well as sulforaphane from broccoli powder, all of which have been shown to support normal cellular structure and function as well a healthy estrogen profile.*³⁻⁶

These glucosinolates and other plant compounds help support normal estrogen metabolism and organize the body's response to cellular damage by targeting key signaling molecules, such as Nrf2 and NF-κB.^{7,8} Silymarin, a milk thistle extract, helps support normal cell structure, and function.* In addition, it supports glucuronidation and helps maintain glutathione levels.*⁹⁻¹¹ This unique combination includes green tea polyphenols, lycopene (tomato extract), turmeric and rosemary extracts, as well as calcium D-glucarate, all of which have been shown to support healthy estrogen metabolism and normal cellular structure and function.*¹²⁻¹⁴

Supplement Facts

Serving Size 3 Capsules
 Servings Per Container 30

	Amount Per Serving	% Daily Value
Calcium D-Glucarate (<i>d</i> -glucaric acid calcium salt)	225 mg	**
Indole-3-Carbinol (3-hydroxymethylindole) (<i>Brassica oleracea</i> var. <i>italica</i>) (aerial)	225 mg	**
Green Tea Extract (<i>Camellia sinensis</i>) (leaf) (80% catechins, 45% EGCG, <1% caffeine)	150 mg	**
Tomato Extract (<i>Lycopersicon esculentum</i>) (fruit) (5% lycopene)	150 mg	**
Broccoli Powder (<i>Brassica oleracea</i> var. <i>italica</i>) (aerial) (0.36% sulforaphane)	82.5 mg	**
Turmeric Extract (<i>Curcuma longa</i>) (root) (95% curcuminoids)	75 mg	**
Milk Thistle Extract (<i>Silybum marianum</i>) (seed) (60% silymarin)	75 mg	**
DIM (3,3'-diindolylmethane)	75 mg	**
Rosemary Extract (<i>Rosmarinus officinalis</i>) (leaf)	37.5 mg	**

** Daily Value not established.

Other ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), magnesium stearate (vegetable grade), silica.

Serving Size: 3 Capsules

Servings Per Container: 30

Suggested Usage: 3 capsules per day taken with food or as directed by a health care professional. Consult a health care professional for use beyond 12 weeks.

Caution: Consult your health care professional prior to use if you are pregnant, trying to become pregnant, breastfeeding, taking medication, have a medical condition, or anticipate surgery. Keep out of reach of children.

Drug Interactions: Do not take with warfarin.¹⁵ Consult a health care professional prior to use if taking antiplatelet medication or blood thinners.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection.

Do not use if seal is broken. For freshness, store in a cool, dry place.
