

System-1 Detergent

36I2

Highly Concentrated Laundry Detergent

A super-concentrated laundry detergent with excellent soil removal properties. It is designed for use in commercial and on-premise institutional laundries. Clax® System-1 Detergent is formulated for use in all water and soil conditions. The unique blend of powerful surfactants emulsify greasy soils in all water temperatures. Optical brighteners in the formula ensure the brightest, whitest results wash after wash.

Features & Benefits

- Super-concentrated formula providing optimum cost-in-use
- A powerful surfactant blend that targets heavy greasy soils
- Contains optical brighteners that prevent greying of fabrics
- Convenient liquid pack size

Applications

- Can be used in all commercial stainless steel washing machines

Clax[®] System-1 Detergent

Highly Concentrated Laundry Detergent

Use Instructions

Concentration varies due to environmental conditions and load size. Your Diversey sanitation specialist will adjust properly to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of soiled fabric into laundry machine.
4. This product is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually.

Your Diversey technician will adjust product concentrations based on results.

Commercial Machines: Dispense automatically with Diversey dispenser.

Warning: Do not mix with incompatible chemicals, such as acids or ammonia.

Food Plant Use: Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use or storage.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
