Product Specification 2

Application : Cable Puller

Product Specification 3

Standard : Set-up in less than 2 minutes: Boom lift using a hand crank provides ultimate safety to lift heavy loads
Quick set-up with quick disconnect system to adjust the nose or elbow piece 360 degrees
Conduit adapter available for 2 - 5 IN conduits
Optional screw-on adapter stand hanger for storage available
Swivel casters move easily on rough terrain on the construction site
Flat-free wheels avoid down-time
Fully contained unit
Handle for pushing unit on the job site
Versatility to change set-up: Nose and elbow piece assembly is now the same allowing the unit to be shortened to only 1 boom with minimal set up
On-board storage for disassembled boom
The boom can be extended up to 20 FT
The puller itself can be disassembled with ease to be floor-mounted or chain mounted to conduit
Easy to store and transport:
Mobile Versi Boom II can be folded up in less than 2 minutes and can be stored on the back of a pick-up truck
