

Purchase Date: ____ / ____ / ____ Order/Customer Reference Number: _____

Thank you for choosing Sunnydaze Decor. We stand behind our brand and the quality of the items we sell. Replacement parts or products can be requested within the 1-year warranty period. Proof of purchase must be provided. This includes the date of the purchase as well as photos of the product defect. Photos are used to determine the cause of the defect and to provide future quality control. The request will be reviewed, and replacement pieces will be sent at our discretion. For warranty information, visit <https://tiny.cc/SunnydazeWarranty>

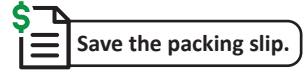

If you have any questions, comments or concerns, feel free to contact us by phone at 833-982-1977, by email: customerservice@sunnydazedecor.com, or via our contact us page at <https://tiny.cc/SunnydazeContact>

DRINK HOLDER SET

Review all assembly and care information before using this product. Save this manual for future reference.

Assemble components on a soft, clean surface to avoid damaging the finish.

Assembly

Align the drink-holding section with the step-in stake section and twist until the components are firmly connected.

Installation

TIP: Install into firm soil. Soft soil may not support the drink holder during use and hard soil can cause the step-in to break and/or the metal to bend during installation.

With a firm grip on two separate points below the drink holder, and stepping on the step-in, push the drink holder straight into the ground until the step-in is level with the ground. DO NOT push on the drink holder portion of the unit, as doing so may damage the shape.

General Use & Care

CLEANING: Wet a soft cloth with clean water and wipe away dirt and debris. Do not submerge in water.

CARE & STORAGE: Exposure to moisture and/or inclement weather can cause the connection point to rust. Store in a dry, indoor location when not in use.

Troubleshooting

THE STEP-IN STAKE WON'T GO FAR ENOUGH INTO THE GROUND

- Check for obstacles beneath the soil, such as rocks, tree roots, or pavement.
- The soil may be too dry. Soak the soil with water and try inserting the step-in stake again.

DRINKS TILT TO THE SIDE

- Ensure the unit is installed straight and the drink-holding section is not bent.
- Ensure drinks are sitting as level as possible with the bottom of the drink-holding section.
- Place a coaster (not included) into the bottom of the drink-holding section.

! SAFETY STATEMENTS & WARNINGS !

- Do not install into loose soil as the unit may lean or tip over.
- Ensure the step-in stake is fully inserted into the ground before use.
- Do not force into soil that is too firm.
- Do not bend the metal.
- Always wear appropriate footwear when using the step-in to install the drink holder.
- Do not twist the holder after it is installed, as doing so may cause the step-in to break.

Any modification to the product or failure to follow recommended care will void the product warranty.

If you experience issues with assembly or the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.

! WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
