

3M Marine Application Profile

3M Marine Boat Maintenance Products

Product Attributes

- Unique, easy to use formulas
- Safe for use on fiberglass, metal & painted surfaces

3M™ Marine Black Streak Remover

- Designed to easily remove black streaks
- Simply spray directly on black streak and wipe away.

3M™ Marine Non-Skid Cleaner

- Designed to remove dirt, grime, algae, oil, fish blood, and waterline stains
- To use, pour onto non-skid surface, scrub with a 3M™ Doodlebug™ brush and rinse thoroughly.

3M™ Marine Heavy Duty Hull & Deck Cleaner

- Concentrated formula designed to remove dirt, grime, algae, oil, fish blood, and waterline stains
- Spray directly on surface, clean with a soft bristle brush and rinse.
- Unique dispensing system attaches to a hose and conveniently premixes for appropriate cleaning strength.

Product Line

3M Marine Wax & Maintenance Products

3M Marine has a full line of boat wax and maintenance products. See complete listing on back.

Product Description

3M Marine's three new boat maintenance products are designed to simplify some of your most difficult cleaning applications. With 3M™ Marine Black Streak Remover, 3M™ Marine Non-Skid Cleaner and 3M™ Marine Heavy Duty Hull and Deck Cleaner, you can now easily and effectively remove dirt, grime, algae, oil, fish blood, waterline stains and black streaks from your boat's surface. All three products are safe for use on fiberglass, metal and painted surfaces.

3M™ Marine Black Streak Remover, 3M™ Marine Non-Skid Cleaner and 3M™ Marine Heavy Duty Hull and Deck Cleaner are the newest products in a full line of premium boat wax and maintenance products. See complete list of all g3M Marine Wax and Maintenance products on back.

Warranty and Limited Remedy: 3M warrants this product will be free from defects in materials and manufacture at the time of shipment. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's method of application. Please remember that many factors can affect the use and performance of a 3M adhesive product in a particular application. The materials to be bonded with the product, the surface preparation of those materials, the product selected for use, the conditions in which the products is used, and the time and environmental conditions in which the product is expected to perform are among the many factors that can affect the use and performance of the product. Given the variety of factors that can affect the use and performance of a 3M adhesive product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application. If the product is proved to be defective, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.

Limitation of Liability: 3M and seller will not be liable for any loss or damage arising from this 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, of contract, negligence or strict liability.

The foregoing Warranty and Limited Remedy and Limitation of Liability language may be changed only by a written agreement signed by authorized officers of 3M and seller.
