Item #	Inner	Master	UPC	Packaging
W80755	12	48	039564149825	Carded

- Straightens damaged core fins on radiators, heater cores, A/C condensers, and evaporator coils
- Clean bugs and debris while straightening fins helps with air flow to keep your engine running cool
- The head is marked with six different fins per inch, they are 8, 9, 10, 12, 14 and 15
- Works on appliances too, anything with a condenser for cooling, like a refrigerator or A/C unit
- Polypropylene (PP) 6-in-1 head with a thermoplastic rubber (TPR) handle
