DESCRIPTION

The wafer-thin Lotos LED Recessed Kit with remote driver combines high quality light output and efficiency while eliminating the need for a large housing. This innovative design can be installed easily as a remodel. Lotos is available in a downlight version for general ambient lighting and an adjustable version with a gimbal that pivots 360 degrees on a hinge.

FEATURES

- Multiple LED array for uniform illumination
- Rotatable multi-axis gimbal ring
- Multiple fixture heads with individual adjustability
- Driver included
- 5 year warranty
