

Lumiere White Pendant

VN-L00026

(Bulb not included)

Warning: Turn off the switch during installation

Installing the ceiling case

1. Fix the bottom of the ceiling box case to the ceiling by screws with the circular metal ring with the power source wires passing through.
2. Match and connect the live (Black) and neutral (White) wires from the lamp to the power supply. Fix it with the cone shape terminal block. Match and connect the earth wire (Green) to the ground wire and screw to the ground screw nut (Green) on the circular ring.
3. Close the case and screw tight with the circular nut.
4. Install bulb

Cleaning&Care

Dust surfaces with a dry soft cloth.

IMPORTANT SAFETY INSTRUCTIONS:

IF you are unsure about your ceiling/wall type or what mounting method you should use, consult a qualified professional or your local hardware store.

We recommend installation of this pendant lamp be performed by a licensed electrician.

WARNING:

Small parts and sharp edges may be present prior to assembly.

Care Instructions

Do not use window cleaners or cleaning abrasives as they will scratch the surface and could damage the protective coating.
